

Mr. Les Wilson
Planning Director
Klamath County Community Development
305 Main Street
Klamath Falls, OR 97601

Dear Mr. Wilson and the Klamath County Board of County Commissioners,

I am writing to support the Train Mountain Comprehensive Plan Amendment Application.

I am familiar with Train Mountain and I support it.

Please grant the exception requested in Train Mountain's Comprehensive Plan Amendment Application so that the rest of the Train Mountain project can be declared a private park even though it is within 3 miles of the Chiloquin urban growth boundary.

Klamath County should allow the last 16% of Train Mountain acreage to be declared a private park so that track can be laid on it. It is also important to include the adjoining parcels that Train Mountain needs to lay track on.

The impacts are very small and the benefits are significant.

Train Mountain is a world class asset for Klamath County.

I urge approval of Train Mountain's requested Comprehensive Plan Amendment.

Thank you,
